### THRON OF BUYERS CONTINUE

The people of Barre and vicinity appreciate the great advantage Dr. Davis, "the druggist," obtained for them in getting the Dr. Howard Co. to allow the regular 50-cent size of Dr. Howard's specific, for the cure of constipation and dyspepsia, to be sold at half price, 25 cents, and have bought hundreds of bottles.

Many orders have come by mail at this popular price, for it is very unusual to be able to buy sixty doses of a standard medicine for half price.

Every bottle of the specific sold by Mr. Davis has had his personal guarantee to refund the money if it was not satisfactory, but none has come back, showing the wonderful curative power of this remedy.

It is only recently, on the persistent advice of Mr. Davis, that Dr. Howard's specific has been sold for less than 50 cents, but he urged that it would be better to secure a quick introduction in Barre in this way and the result has proven his good judgment.

If you have not already taken advantage of this chance to get a month's medical treatment for 25 cents, be sure to call at Mr. Davis' store today, for he has only a small amount of the specific on hand.

#### SWEDES DID NOT CHALLENGE.

Misapprehension Over Yacht Racing Communication.

New York, Oct. 11.—News dispatches from Stockholm indicate that some misapprehension exists in Sweden regarding the status of the negotiations for the proposed challenge for the America's cup. As a matter of fact, no formal challenge has yet been made by the Swedish yachtsmen. Their recent communication to the New York Yacht club was largely in the nature of an inquiry as to conditions, time, etc., and the reply of the club over the arrival of which published dispatch from Stockholm says the most intense interest prevails, merely consists of a copy of the documents adopted in answer to Sir Thomas Lipton's challenge, defining the race conditions and other formalities.

Foot ball at the university of Vermont is progressing finely. Since the Dartmouth game many rough corners have been worn away. There has been a great advance in foot ball tactics, and a considerable amount of smart team play has been instituted. Although it cannot be said that Vermont has now fully mastered the forward pass, Killebe, who was given a trout at Dartmouth, is proving a find at right end; and Buck is holding down the other end in great style. The line of course, is as solid as a rock and the backs as speedy and clever as ever. Coach Drake has been indefatigable, and Vermont will have reason to be proud of the team which will line up against Wesleyan next Saturday.

#### A SUCCESSFUL SAVINGS BANK.

The Brattleboro Phoenix thinks the management of the Hyde Park Savings Bank have just reasons for being proud of the success attained by the Bank. It says in a recent issue:

"Ex Gov. Carroll S. Page feels a very proper and commendable pride in the success of the Lamoille County Savings Bank at Hyde Park, of which he is president, and in the starting and management of which he has been the leading factor. The cardinal principle of this bank is that all of its resources must be invested in Vermont to foster Vermont industries and to develop Vermont enterprises. The bank passed the million-dollar mark of assets on Thursday, the 11th instant, and we are sure that there isn't a single cent of it invested out of Vermont. Governor Page is entitled to the congratulations which he receives."

This Bank pays 4 per cent, compounded semi-annually, on deposits of \$100 or more, remaining in the bank one full year.
